

CSE 435

Friday, December 9th 2022; 5:30PM - 6:30PM

PCAS 1 Meeting 9

[Meeting link](#)

[SRS Document](#)

Agenda

- Discuss what additional work needs to be done for our SRS and Prototype v3
 - What changes should we focus on?
- Schedule a tentative 10th meeting for tomorrow
- Reminder, peer review v3 due this Sunday

Action List

Group HW - Prototype Version 3 (due Sunday, 12/11 at 5PM)

- What changes/additions need to be made?
 - Still waiting for feedback
 - Fix up inconsistencies in vocabulary
 - Ex. Driver vs User - what's the difference
 - Continue work on state diagrams
 - Could add sources

Meeting 10

- Scheduled for Saturday at 3 - 4PM EST
 - Subject to change
- Agenda:
 - Continue finalizing SRS with TA's feedback (if they are given by then)

Open Floor

- Any additional items/things we missed?
 - N/A

Meeting Summary

Our team worked on final touches for our SRS document. Work includes adding state diagrams, changing vocabulary to be more consistent, and adding sources under the references section of the document. Depending on when we receive TA feedback, we will meet once more to discuss further changes to be made.
