PCAS1 Meeting - Video Presentation

 CSE 435 - PCAS 1 - Project Video

Agenda

- Discuss what needs to be covered within our video presentation
- Work on presentation slides
- Create a rough script for Edie to go off of

Action List

Group HW - Video Presentation (due Sunday, 12/11 at 5PM)

- What will be covered in the presentation?
 - We will give an overview of PCAS features
 - We will go over three different scenarios, one from each case
- Work on slides
 - Worked as a team to complete slides for Edie to present
- Script
 - Didn't need to create a script, Edie is familiar with the material being covered

Open Floor

- Any additional items/things we missed?
 - Edie will record the video and the video will be uploaded to D2L.

Post-Meeting

- Send out email with meeting 8 minutes and summary and CC TA/Instructor:
polanco3@msu.edu

Meeting Summary

Our team worked on completing our video presentation slides as well as talking about logistics. Edie will record her presenting the video slides herself as it is less complicated to include multiple presenters. We will then upload the video to D2L.
