 - Currently empty

Open Floor

- Any additional items/things we missed?
 - N/A

Post-Meeting

- Send out email with meeting 2 minutes and summary and CC TA/Instructor:
polanco3@msu.edu

Meeting Summary

We began by rescheduling next week's meeting to Tuesday after class due to Thanksgiving break. We then worked on delegating tasks for our two deliverables due on Friday at 5PM: SRS Document and Prototype Version 1. All work should be completed and turned in by the due dates. Any of us are welcome to communicate in the meantime if we have confusion or need help from another team member.
